IX. The President shall cause the Clerk to make a list of the ordinances, resolutions or reports on the table, which shall be considered "the general orders of the day." The order of business, which shall not be departed from, except by the consent of nine members voting therefor, shall be as follows:

XI. A motion to refer or lay on the table, until it is decided, shall preclude all amendments to the main question.

XII. When a question has been once put and decided, it shall be in order for any member who voted in the majority, to

XXII. A motion to adjourn shall always be in order, and shall be decided without debate.

XXII. The previous question, until it is decided, shall preclude all amendments and debate of the main question, and shall be in this form—"shall the main question be now put?"

XXIV. Every member who shall be present when a question is put, shall vote for or against the same, unless the Board shall excuse him, unless he be immediately interested in the question, in which case he shall not vote; but no member shall be permitted to vote upon a question, when a division is called, unless present when his name is called in its regular order.

XXV. A member called to order shall immediately sit down, unless permitted to explain: and the Board, if appealed to, shall decide on the case, but without debate. If there be no appeal the decision of the Chair shall be submitted to.

XXX. No member shall absent himself without permission from the President.

XXXI. All Committees shall be appointed by the President, unless otherwise ordered by the Board. Committees appointed to report on any subject referred to them by the Board, shall report a statement of facts, and also their opinion thereon, in writing; and no report shall be received, unless the same be signed by a majority of the Committee.

XXXII. Whenever the doors are directed to be closed, all persons, excepting the members and the Clerk, shall retire.

XXXIII. Every petition, remonstrance, or other written application, intended to be presented to the Common Council, is to be delivered to the President, or any other member of the Board, on any day, but not later than our o'clock on the day on which the Common Council convenes, except on extraordinary occasions; and the President, or other member to whom it shall be given, shall examine the same, and endorse thereon the name of the applicant and the substance of such application, and sign his name thereto; which endorsement only shall be read by the President, unless a member shall require the reading of the paper, in which case the whole shall be read.

I. UPON the appearance of nine members, including the President, the members shall be called to order.

II. In case the President shall not attend, the Clerk, on the appearance of nine members, shall call the Board to order, when a President *pro tem.* shall be appointed by the Board for that meeting, or until the appearance of the President.

III. Immediately after the President shall have taken the chair, the minutes of the preceding meeting shall be read by the Clerk, to the end, that any mistake therein may be corrected by the Board.

IV. The order of business, which shall in no case be departed from, except by the consent of ten members voting therefor, shall be as follows:

1st. Presentation of Petitions.

2d. Reports of Committees.

3d. Communications and reports from the Departments or Corporation Officers.

4th. Unfinished business of the preceding meeting.

5th. Special Orders of the day.

6th. General Orders of the day.

7th. Motions and Resolutions.

8th. Messages from the Mayor or from the Board of Aldermen, may be considered at any time.

V. Whenever the President may wish to leave the chair, he shall have power to substitute a member in his place, provided that such substitution shall not continue beyond the day on which it was made.

VI. When the Board shall be equally divided, including the vote of the President, the question shall be lost.

VII. Whenever any five members shall require the Board to go into Committee of the Whole, the President shall leave the chair, and shall appoint a Chairman of the Committee of the Whole, who shall report the proceedings of the Committee. The rules of the Board shall be observed in the Committee of the Whole, excepting the rules respecting a call for the ayes and nays, and limiting the time of speaking.

VIII. On motion in Committee to rise and report, the question shall be decided without debate.

IX. No amendment shall be allowed in the Board on any question which has been decided in Committee of the Whole, unless by the consent of two-thirds of the members present.

X. The President shall cause the Clerk to make a list of all the messages, ordinances, resolutions and reports not finally disposed of, which shall be considered "the general orders of the day."

XI. If the question in debate contains several points, any member may have the same divided.

XII. A motion to refer or lay on the table, until it is decided, shall preclude all amendments of the main question.

XIII. When a question has been once put and decided, it shall be in order for any member who voted in the majority,

to move for the reconsideration thereof; but no motion for the reconsideration of any vote, shall be made after the ordinance, resolution, or act, shall have gone out of the possession of the Board; and no motion of reconsideration shall be taken more than once.

XIV. No ordinance or resolution, sent to this Board from the other Board for concurrence, shall be called up for final passage on the same day on which it shall be presented, unless by the consent of two-thirds of the members present voting to consider it finally.

XV. It shall be the duty of the Clerk to certify and send to the other Board, every act, ordinance and resolution, which has originated in, and passed this Board and which requires a concurrent vote of the Board of Aldermen; and to deliver to the Mayor, certified in like manner, all such ordinances and resolutions which shall have been received from the Board of Aldermen and concurred in by this Board, and which are required to be submitted to him for approval; and the Clerk shall certify to the other Board, the proceedings of this Board, in reference to all acts or business originating with the other Board.

XVI. The President shall preserve order and decorum, and shall decide questions of order, subject to an appeal to the Board.

XVII. Every member, previous to his speaking, shall rise from his seat and address himself to the President.

XVIII. When two or more members shall rise at once, the President shall name the member who is first to speak.

XIX. No person shall speak more than twice to the same question with out leave of the Board; nor more than once, until every member, choosing to speak, shall have spoken; nor more than once upon the previous question.

XX. No question on a motion shall be debated or put, unless the same be seconded. When a motion is seconded, it shall be stated by the President before debate; and every such motion shall be reduced to writing, if any member shall desire it.

XXI. After a motion is stated by the President, it shall be deemed to be in possession of the Board; but it may be withdrawn at any time before decision or amendment.

XXII. When a question is under debate, no motion shall be received, unless

1. To amend it.
2. To commit it.
3. To lay it on the table.
4. To postpone it.
5. For the previous question, or
6. To adjourn.

XXIII. A motion to adjourn shall always be in order, and shall be decided without debate.

XXIV. The previous question, until it is decided, shall preclude all amendments and debate of the main question, and shall be put in this form—"shall the main question be now put?"

XXV. Every member who shall be present when a question is put, shall vote for or against the same, unless the Board shall excuse him, or unless he be immediately interested in the question, in which case he shall not vote; but no member shall be permitted to vote upon a question when a division is called, unless to vote when his name is called in its regular order.

XXVI. A member called to order shall immediately sit down, unless permitted to explain, and the Board, if appealed to, shall decide on the case, but without debate. If there be no appeal, the decision of the Chair shall be submitted to.

XXVII. All questions shall be put in the order they are moved, except in filling up blanks—the longest time and the largest sum shall be first put.

XXVIII. Upon a division of the Board, the names of those who vote for and those who vote against the question, shall be entered upon the minutes, not only in the case required by law, but when any two members require it.

XXIX. In all divisions taken by the Board, by ayes and nays, on the call of the member, it shall also be the duty of the Clerk, to enter on the minutes the name of the member so calling for the division.

XXX. All appointments of officers shall be by ballot, unless dispensed with by the unanimous consent of the Board, and a majority of the whole number present shall be necessary to constitute a choice.

XXXI. No member shall be absent without permission from the President.

XXXII. All Committees shall be appointed by the President, unless otherwise ordered by the Board.

XXXIII. Committees appointed to report on any subject referred to them by the Board, shall report a statement of facts, and also their opinion thereon, in writing; and no report shall be received, unless the same be signed by a majority of the Committee.

XXXIV. Whenever the doors are directed to be closed, all persons, excepting the members, and the Clerk, shall retire.

XXXV. Every petition, remonstrance, or other written application, intended to be presented to the Common Council, is to be delivered to the President, or any other member of the Board, on any day, but not later than four o'clock on the day on which the Common Council convene, except on extraordinary occasions; and the President, or other member to whom it shall be given, shall examine the same, or endorse thereon the name of the applicant, and the substance of such application, and sign his name thereto, which endorsement only shall be read by the President, unless a member shall require the reading of the paper, in which case the whole shall be read.

XXXVI. The **STANDING COMMITTEES**, to consist of three members each; shall be as follows:

FINANCIAL CONDITION OF THE CITY.

The financial condition of the city on the 1st May, 1841, was as follows, as will be seen by the Mayor's Message, from which the following statement is taken—

“I have requested from the Comptroller and received a statement of the City Debt up to the 1st of May last, from which the following appears :

New-York City Stocks of 1820 and '29..	\$500,000	
Less amount held by the Commissioners of Sinking Fund.....	91,200	
	<hr/>	\$408,800
Public Building Stock.....	\$515,000	
Less amount held by the Commissioners of Sinking Fund.....	15,000	
	<hr/>	500,000
Fire Loan Stock, a contingent liability,..	\$882,000	
Less an equal amount of bonds and mort- gages owned by the Commissioners of Sinking Fund.....	882,000	
	<hr/>	000,000
Fire Indemnity Stock.....	\$358,200	
Less amount held by the Commissioners of Sinking Fund.....	122,700	
	<hr/>	236,200
Floating Debt Stock.....	\$350,000	
Less amount held by the Commissioners of Sinking Fund.....	168,210	
	<hr/>	187,790
Corporation Bonds—a contingent debt...	\$585,000	
Less an equal amount of liens on real estate.....	585,000	
	<hr/>	000,000
Water Stocks.....	\$7,949,377	
Less amount held by the Commissioners of Sinking Fund.....	298,000	
	<hr/>	7,651,377
		<hr/>
		\$8,978,167

The City Stocks which will be held by the Commissioners of the Sinking Fund at the close of the present fiscal year, will be sufficient to cover, and in effect cancel the stock of 1820 and '29, and the Public Building Stock. The Fire Loan Stock and Corporation Bonds are contingent liabilities of the city, for which bonds and mortgages, and other real estate liens, are held by the Commissioners of the Sinking Fund, which can be realized and applied to the liquidation of the debt at any time. These, therefore, may be properly considered as no part of the city debt, but rather as a loan of its credit on full and perfect securities.

The Fire Indemnity Stock is, for the most part, payable in twenty-seven years; the provision for its redemption is an annual tax of \$25,000 to be levied upon the real and personal estate of the citizens, one-half of which tax would, however, accomplish its redemption in the time fixed.

The Floating Debt Stock is payable at the rate of \$50,000 per annum, to meet which, a tax of the like sum is annually to be imposed.

It will be seen, therefore, that the principal of all the stocks here mentioned (and which constitute the entire debt of the city, except that for the construction of the Croton Aqueduct,) is fully provided for, and capable of being redeemed without resort to the revenues of the Sinking Fund after the present year; or, in other words, the proper income of the Sinking Fund, on and after May next, when the Croton water will be introduced, will be applicable, solely, to the cancelling of the Water Stocks.

The water debt, as estimated will reach \$12,000,000. It is computed that the income of the Sinking Fund, as at present constituted, will alone be sufficient to meet and cancel it in forty years. It is to be remembered, too, that the Sinking Fund will, long before that period, be greatly enlarged from the avails of such real estate as the Corporation may sell from time to time."
